NEW ICEBERG 20 PLUS

NEW ICEBERG 20 PLUS

The new Iceberg Plus has been realized with the aim of reach the maximum competitiveness, offering a product with an elegant design, made with attention to the smallest details and with a further improvement of performance, thanks to a better thermic isolation.

In particular, the new Iceberg Plus shows:

- a black modern colour cabinet
- tempered glass shelves with a silk screen printed Indel B logo
- elegant white balconies adjustable in height and depth
- electronic thermostat with 3 temperature regulations and On/Off
- new evaporator with profile in aluminium.

Further, the cabinet is thicker for greater thermal insulation and the absorption cooling system is better in terms of silence.
